

Dear Parent/Guardian:

We are pleased to inform you that we are able to offer limited scholarships for the 2024-2025 school year to families who demonstrate a genuine financial need based on information provided in the attached Scholarship Application. The scholarship will never be more than 50% of the tuition (the average distribution percentage last year for families who qualified was 12% per student) and the actual amount will also be determined by the level of scholarship funds available. The scholarship does not affect school fees or other programs offered by CISP such as ELL or AP.

You may submit your application in the office at CISP, or by scanning and attaching it to an email addressed to finance@cisprague.org. Please use ***“CONFIDENTIAL Scholarship Application”*** as the subject line. We will honor your desire to keep this information strictly confidential. A system is in place where only one person will identify names with requested information.

Accurate and complete information is required in order to make a fair assessment of the amount of financial aid needed. Please take the time to fill out the entire form and return it. If the form is not completed in its entirety, it may not be considered in the award process.

The award is made for the entire school year. It will be included on your payment schedule after the process is finished and the information is communicated to the finance department. Please let us know if your child plans to attend CISP for less than the full school year. We reserve the right to reduce or eliminate your scholarship award:

1. If for any reason you unexpectedly withdraw during the school year.
2. Due to submission of inaccurate or incomplete data.
3. If the student(s) are placed under academic probation or a behavioral management plan during the academic year.
4. If the family is unable to maintain the current contract payment schedule.

We are pleased to offer this opportunity again this year and look forward to seeing how the Lord will supply. You are always invited to write a thank you letter to donors if your child receives a scholarship.

Sincerely,

The CISP Board
