GRADES 9-12 SUPPLY LIST

We want to remind **all secondary students** that they must **bring their own wired (not wireless) headphones or earbuds** to school. While earbuds are preferred for ease of use, either option is acceptable. We kindly ask that students not bring expensive headphones or earbuds to school, as they can be easily lost or damaged. Instead, we recommend purchasing an inexpensive pair of earbuds that can be kept in the student's backpack at all times.
