

Do you have a passion for math and helping students learn to love math?

CISP is seeking a

Secondary Math Teacher

General Position Overview

A Christian teacher who can plan and implement mathematics lessons, follow a set curriculum, work with other staff, be willing to learn, and work well with 11-18-year-old students. We are specifically looking for someone with experience in teaching statistics.

Subjects & Classes

The teacher may be asked to teach middle school, and/or high school level math classes, including basic math, algebra, geometry, trigonometry, and function analysis classes. If qualified, we also have AP math classes. We are specifically looking for someone with experience in teaching statistics.

Age Group & Class Size

Class sizes at CISP range between 10-16 students. Instruction may be given to students in grades 6-12 (ages 11-18).

Other Responsibilities

May be asked to monitor recess and/or lunch duty (some days), attend staff meetings, and help with school events

Professional Requirements

A university degree in education and/or the subject area is required, and a teaching credential is preferred.

Start Date

August 2024
